MEASURE TIPS

-Lionheart Sizing Guide is approximate, please use as a guide only. For more accurate measurements related to specific garments please contact us by email.

-If an item of clothing states "fitted" or "pro-fit" in the item description it will be approximately a size smaller than our regular sizes.

-When ordering outerwear, please be advised these garments are designed to be worn over other garments.

-If you're on the borderline between two sizes, order the smaller size for a tighter fit or the larger size for a looser fit. If your measurements for chest and waist correspond to two different suggested sizes, order the size indicated by your chest measurement.
