

ÉCOLE SALISH SECONDARY
Athletic Handbook and Regulations
2021 – 2022
Updated November 22, 2021

1. ATTENDANCE AT PRACTICES AND GAMES

- a. Team members are expected to attend all practices and games unless absent due to illness or excused by their coach.
- b. Appointments should be arranged so that they do not conflict with your teams scheduled practices and game days.

2. ATTENDANCE IN CLASS

- a. Students are expected to attend class each and every day. On game days attendance is mandatory in order to be eligible to play on that same day.
- b. Students are expected to participate in Physical Health Education classes in order to participate in practices or games on that same day (no sitting out in order to “save energy”).
- c. Athletes who have been granted early dismissal must leave class at the designated time recommended by their coach.

3. ACADEMIC REQUIREMENTS

- a. Every team member is expected to maintain academic standards to the best of their ability.
- b. Any student granted early dismissal by their teacher and coach is responsible for making sure that they obtain and complete the work missed as a result of leaving a class early.
- c. Teachers do not have to grant early dismissal if they feel the student athlete is not working to their academic potential and/or is being disruptive.
- d. Any student not displaying appropriate behavior in class, or is achieving an unsatisfactory standing in any of their classes may be placed on Academic Probation by the Athletic Director.
- e. If placed on Academic Probation, a meeting will need to take place between the Athletic Director, student and parent/guardian before the student athlete may be permitted to participate in practices and games again (an action plan for success will need to be in place). School administration will be notified of the decision to place an athlete on an academic probation.

4. CITIZENSHIP REQUIREMENTS

- a. Every team member is expected to model and maintain a positive attitude/behavior at all times.
- b. Positive sportsmanship requires respect for yourself, respect for your teammates, respect for your opponents, and a genuine attempt to uphold the integrity of the rules required by the sport in play.
- c. Cheating, rudeness, profanity, derogatory comments and/or harassment directed towards any teammate, opponent, referee or parent will not be tolerated at any time. Any athletes unable to model the before mentioned behavior, may be removed from the team at the coach’s discretion in consultation with the Athletic Director.
- d. Alcohol and/or drugs must not be used while traveling to, during or returning from a game or practice. The Athletic Director at that point will recommend to the administration team the suspension of the student athlete from athletics. The length of the student athlete’s suspension will be decided by the Athletic Director and the school’s administration team.

5. SUSPENSION

- a. All athletic suspensions will be at the discretion of the Athletic Director based on the academic requirement and citizenship requirements mentioned in sections 3 & 4.
- b. A student who has been disciplined for any cause on any team may be ineligible for future athletics.

6. WITHDRAWAL FROM A TEAM

- a. Once a team has been selected, a player who has committed to the team (for that season) may only withdraw from the team with their coach's and Athletic Director's approval.
- b. Withdrawal from a team may result athletic ineligibility for the following athletic season.

7. ATHLETIC FEE

- a. To help bear the cost of uniforms, referees and tournaments, and equipment replacement, athletes will be assessed an athletic fee. Additionally, a \$100 uniform deposit cheque may also be required for selected sports. This will be returned at the end of the season once the athlete returns their uniform in a playable condition for the following season.

ECOLE SALISH SECONDARY

Student Athlete Code of Conduct

Extracurricular involvement in school sports provides opportunities and experiences that are important to the development of a well-rounded student and helps foster relationships and memories that can last a lifetime. It is imperative that our students realize that the attitudes, actions and behaviors of our school's athletes are a reflection of themselves, their team, their school, and their community. With that said, student athletes at Ecole Salish Secondary must remember that their participation in school sports is a privilege, not a right.

Ecole Salish Secondary Student Athletes shall:

Treat everyone with respect

- Treat teammates, coaches, opponents, event organizers & spectators with respect at all times
- Respect and accept with dignity the decisions of the referees or officials in charge of the event
- Always be generous in winning and find a way to be graceful in losing (respect competition)

Exercise self-control at all times

- Refrain from the use of drugs or alcohol
- Refrain from the use of foul or profane language
- Refrain from the use of physical force that goes outside of the rules of the game

Play Fair

- At all times you must compete and play within the rules and the spirit of the game

As a member of a Salish Secondary Athletic team, I understand and agree to abide by the set of standards outlined in the Code of Conduct. Upon violation of any of the standards while as a member of the team or while attending a school function, I understand that the coach and Athletic Director may impose sanctions that may limit practice and/or playing time. Coaches & the Athletic Director will determine when a student athlete is eligible to return to play. Moreover, school administration will notify the athletic director of any student athlete suspensions which may also impose sanctions that could limit practice and/or play time.

Possible further consequences may include:

- Withheld from participation from the team for a pre-determined period of time.
- Withheld from participation for the remainder of the season.
- Withheld from participation from all athletics for the remainder of the year.

If a student athlete is withheld from participation in athletics and is deemed eligible to return by the Athletic Director, coach and school administration, a meeting will take place between the Athletic Director, coach, student and parent/guardian before the student athlete may participate in practices and games. A student athlete action plan for success will be set in place by all stakeholders.

There is a formal process to have consequences reviewed. Please refer to the Lines of Communication document if necessary.

School administration and parents/guardians will be notified of any decisions resulting in formally enforced consequences.

**I have read, understand and will abide by the standards outlined in the
Ecole Salish Secondary Athletic Handbook & Regulations and the Student Athlete Code of Conduct.**

Ecole Salish Secondary Team Commitments

Dear Parent /Guardian:

École Salish Secondary and the Surrey Athletic Association feels that the Inter-High School Athletic Program can only operate if students who are involved on school teams honour their responsibilities and commitments. All coaching by teachers, parents or students is purely voluntary. These individuals have accepted a commitment to uphold the rules of the South Fraser Athletic Association Constitution, which have been briefly outlined in this handbook. The information and regulations provided in this handbook are to be seriously considered by your son/daughter before joining and committing to participate on a school team. The Surrey Schools Athletic Association feels that this is necessary due to the serious repercussions to the school's athletic program if just one team fails to fulfill its commitment to their respective league. Please read and discuss with your child. If you agree, please sign the consent form below and return to your Athletic Director.

All student athletes that play for Salish Secondary team must:

- Pay their sport's athletic fee online at www.schoolcashionline.com, and
- Hand in to their coach a **\$100 deposit cheque** written out to Salish Secondary for their uniform before they are able to participate in games (the deposit cheque will be returned at the end of the season once the uniform is returned in an acceptable condition for use by another person).

For the Athletic Fees paid online, please record your reference/receipt # _____

Nature of the Risks

By signing this Participation Agreement parents and students acknowledge and agree that: (1) they consent to the student’s participation in such Sports Program(s) and all related activities, and understand and acknowledge that this may expose the student to risk, including through their attendance and participation in such Sports Program(s), which may include the use of the facilities and lands owned, occupied or used by the School District; (2) the risks of injury and illness (e.g. communicable diseases such as influenza, COVID-19 and MRSA) are significant, and while particular rules, equipment, hygiene measures and personal discipline may reduce these risks, the risks of serious injury and illness do exist; (3) the student’s participation is voluntary and you understand and agree to assume any and all risks associated with his/her participation in such Sports Program, whether or not the School District has disclosed those risks to you, including the possibility of illness (including COVID 19 infection), injury, psychological injury or stress, pain, suffering, permanent or temporary disability, property or economic loss, even death and other unforeseen risks (collectively the “Losses” and each a “Loss”).
