ECOLE SALISH SECONDARY Student Athlete Code of Conduct

Extracurricular involvement in school sports provides opportunities and experiences that are important to the development of a well-rounded student and helps foster relationships and memories that can last a lifetime. It is imperative that our students realize that the attitudes, actions and behaviors of our school's athletes are a reflection of themselves, their team, their school, and their community. With that said, student athletes at Ecole Salish Secondary must remember that their participation in school sports is a privilege, not a right.

Ecole Salish Secondary Student Athletes shall:

Treat everyone with respect

- Treat teammates, coaches, opponents, event organizers and spectators with respect at all times
- Respect and accept with dignity the decisions of the referees or officials in charge of the event
- Always be generous in winning and find a way to be graceful in losing (respect competition)

Exercise self control at all times

- Refrain from the use of drugs or alcohol
- Refrain from the use of foul or profane language
- Refrain from the use of physical force that go outside of the rules of the game

Play Fair

- At all times you must compete and play within the rules and the spirit of the game

Ecole Salish Secondary Team Commitments

Dear Parent /Guardian:

École Salish Secondary and the Surrey Athletic Association feels that the Inter-High Athletic Program can only operate if students who are involved on school teams honour their responsibilities and commitments. All coaching by teachers, parents or students is purely voluntary and these individuals have accepted a commitment to uphold the rules of the Fraser Valley Athletic Association Constitution, which have been briefly outlined in this handbook. The information and regulations provided in this handbook are to be seriously considered by your son/daughter before joining and committing to participate on a school team. The Surrey Athletic Association feels that this is necessary due to the serious repercussions to the school's athletic program if just one team fails to fulfill its commitment to their respective league. Please read and discuss with son/daughter, and if you agree please sign the consent form below and return to your athletic director

Please note, at this time, all athletes on the Salish Wolves **Sr. Girls Volleyball** team must provide a **\$125.00** athletic fee paid online, and a **\$100 deposit cheque** for their uniform to their coach or Athletic Director before they are able to participate in games (the deposit cheque will be returned at the end of the season once the uniform is returned).

For Athletic fees paid online, please record your reference / receipt # _____

As a member of the **Sr. Girls Volleyball** team I agree to abide by the listed regulations in this handbook.
